# T'fillah and Hebrew Education: Like Strands of a Havdallah Candle

Wednesday, March 18, 2020

2-3pm Eastern

Join Rabbi Stacy Rigler & Rabbi Nicki Greninger for a one-hour webinar exploring the ways that t'fillah education & Hebrew education intersect in your school, as it relates to #OnwardHebrew.

We will explore questions like:

- What does t'fillah education currently look like in your school / congregation?
- Who makes decisions about t'fillah in your education program?
- How does t'fillah learning intersect with Hebrew learning right now?
- How could t'fillah better support your goals for Hebrew learning?
